

Palliative Care Advice Service 1800 360 000

For everyone everywhere in Victoria

Are you living with life-limiting illness? Or supporting someone who is living with life-limiting illness?

Our specialist nurses and doctors can help you, your carer, family, friend or neighbour. We can help with:

Finding the right palliative care service in Victoria

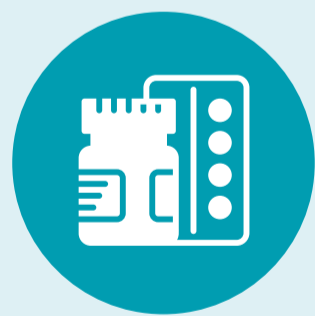

Finding out how palliative care can help carers and family

Considering what to think about and plan for

Talking with your friends and family about life-limiting illness

Answering questions about your medications

Relieving symptoms like pain, nausea or breathlessness

Talking with your doctor about palliative care

1800 360 000 7am–10pm, seven days a week www.pcas.org.au
